

Booking School Meals on MCAS (My Child at School)

We ask that parents/carers order school meals for their children in advance. This supports the Admin and Catering team to reduce food wastage and at the same time ensure that meal selections can be met. The latest you can pre-book is 1 day before so please ensure you plan ahead. Please contact the office if you experience any issues.

The current menu can be found on our school website or you can view each option on the MCAS app for each day.

Log in to your MCAS portal:

On front page of MCAS you will see the Dinner Detail panel:

Click on the 'More' button and you will see the following layout:
